

Oportunidade de bolsa de estudos para formação a nível de mestrado e doutoramento para cidadãos de Cabo Verde e países da África Ocidental.

O programa WASCAL (West African Science Service Centre on Climate Change and Adapted Land Use) abriu o concurso de bolsas de estudos para programas de mestrado e doutoramento em parceria com universidades da Costa Ocidental Africana, incluindo a Universidade de Cabo Verde (UniCV). Candidatos dos países parceiros da WASCAL são elegíveis a quaisquer dos cursos, sendo que serão selecionados 2 a 3 estudantes (1 com bolsa) de cada país para cada curso, totalizando 12 bolsas para estudantes de Cabo Verde. Todas as informações relativas aos cursos podem ser encontradas nas respetivas páginas no website do WASCAL (www.wascal.org).

Prazo de candidatura: até 19 de abril
